

MATHEMATICS

MAJORS

- Applied Mathematics: B.S.

Emphasis in:

- Actuarial Science
- Biological Sciences
- Computational Science
- Cryptography
- Economics
- Mathematics
- Statistics

- Mathematics: B.A.,
B.S., M.S., Ph.D.

MINORS

- Mathematics

CAREERS

- Actuary
- Biometrician
- Computer Analyst
- Financial Analyst
- Mathematician
- National Security Analyst
- Software Engineer
- Teacher/Professor

DEGREE OVERVIEW

Mathematics and its applications play a fundamental role in any area of human activity, from purely scientific enterprises to the financial and business world. The analytical and quantitative skills acquired with rigorous mathematical training provide diverse career opportunities, including jobs in academia, industry and government labs, actuarial companies, the financial market, high-tech and computer-security companies, conservation and environmental agencies, energy, and many others. These positions rank near the top in career satisfaction surveys.

UNDERGRADUATE RESEARCH

Research in the Department of Mathematics ranges from algebra and geometry to number and probability theory. Doing research as an undergraduate student is an excellent way to work on the frontier of the scientific endeavor and will provide solid research experience that can benefit your future career goals.

As part of the mathematics department, students work with faculty and other researchers on cutting-edge research problems, publish results in leading journals, participate in one of five departmental lecture series, and gain technical and critical thinking skills.

APPLY IN 5 EASY STEPS

1

VISIT ADMISSIONS
admissions.tamu.edu

Hear from current Aggies.
Discover Aggieland.
Learn how to apply.

2

CREATE AN ONLINE ACCOUNT
at *Apply Texas* or *Common App*

You will need:

- general personal information
- academic information
- high school transcript/resumé
- letters of recommendation

3

COMPLETE AND SUBMIT
your Texas A&M application

Texas A&M school code: **003632**

Remember to include your
“MAJOR” selection.

4

RECEIVE AND ACTIVATE
your Universal ID Number (UIN)

Your UIN is a nine-digit number
sent to your email once you've
applied.

You can activate your UIN and
create your NetID at:
services.tamu.edu/activation

5

**LOG ON TO THE APPLICANT
INFORMATION SYSTEM (AIS)**
applicant.tamu.edu

Use the AIS website to:

- check your application's status
- upload any other required
documents
