DEGREE OVERVIEW

The Department of Sociology at Texas A&M University offers a quality undergraduate education, recognized as one of the nation's leading programs in the field by the American Sociological Association. The department offers a broad-based curriculum with excellent opportunities for training in various areas of faculty expertise and research.

Sociology supports a diverse community of students and faculty working together to research and address real world social issues. Sociology provides an excellent background for students wishing to enter service based professions like social services, ministry, nursing, teaching, law enforcement, law, marketing, human resources, journalism, government, business management and entrepreneurialism.

HONORS PROGRAM

The sociology honors program is designed for highly motivated and engaged students interested in working closely with distinguished department faculty to study and address real-world social issues and problems. The curriculum is both academically rigorous and engaging, and is especially beneficial to those students who may wish to attend graduate school. Honors students will complete advanced coursework and participate in one-on-one research with faculty mentors. Optional honors internships are also available. The program will culminate in a senior capstone project.
