I request that I be allowed to register for _____ hours of BIOL 491 section _____ during the:
(circle one) Fall Spring Summer (10 week) Semester of 20_____.

Description:

BIOL majors (BIOL, MBIO, BMCB, ZOOL) may take one course in BIOL491 as Writing Intensive to meet the Writing Intensive requirement. The goal of BIOL491 WI is for the student to produce a document in the same manner as a research publication in a biological discipline. Cycles of submission/review/ revision/resubmission will be used until the final document is approved by the research supervisor.

Tasks associated with BIOL491-Writing Intensive:

- Students must attend 3 workshops offered by the University Writing Center and Aggie Honor System Office during the first half of the semester. Students will be notified of locations and times no later than the end of the first week of classes.
- Drafts of the manuscript must be submitted to the research supervisor throughout the semester to engage in the submission/review process described above.
- A final copy of the manuscript must be submitted to the Biology Undergraduate Advising Office.
- Grades are assigned as determined by the research supervisor, using a grade scale of A-B-C-D or F.

Proposed Research Description: (use back of form or attach description if more space is needed)

- I have completed the Work Area Specific Training and am turning in the completed form with this request.
- I will complete the Work Area Specific Training and turn in the completed form by the 10th class day.
