

# Reporting Concerns

The Department of Biology is committed to ensuring the safety of all students and employees participating in undergraduate teaching laboratories. Please notify your laboratory instructor immediately if you observe what you consider to be unsafe practices in this laboratory. You may also communicate concerns to the faculty member responsible for this course or to the Department of Biology administrative office in 100 Butler Hall. Concerns regarding laboratory safety can also be sent anonymously to the Department of Biology Safety Coordinator through the Department's Laboratory Safety Website at [www.bio.tamu.edu/labsafety](http://www.bio.tamu.edu/labsafety) .
