Invited speaker. “Visual misinformation on Facebook,” Department of Communication, University of Washington, April 2024.

Invited speaker. “Visual misinformation on Facebook,” Moody College of Communication, University of Texas at Austin, March 2024.

Invited speaker. “Participatory propaganda,” Department of Political Science, Texas A&M University, December 2023.

Invited speaker. “Participatory propaganda,” The Weizenbaum Institute, July 2023.

Invited speaker. “Visual misinformation on Facebook,” Department of Communication, University of Oklahoma, March 2023.

Invited speaker. “Visual misinformation on Facebook,” Data Justice Lab, Texas A&M University, March 2023.

Guest lecturer. Course “Misinformation, Governance, and Democracy,” International College of Innovation, National Chengchi University, December 2022.

Invited speaker. “Using audience engagement data in computational textual analysis,” 2022 International Conference on Methods Triangulation: Implications for Social Science Research. Center for Survey Research of Academia Sinica & Taiwan Institute for Governance and Communication Research, August 2022.

Invited speaker. Disinformation, Media & Democracy, Watson Institute for International and Public Affairs, Brown University, April 26, 2022.

Invited speaker. “Weapons of mass deception: How right-wing media wage political warfare and undermine American democracy,” Department of Communication, Texas A&M, USA, January 18, 2022.

Invited speaker. “News or propaganda? Three models of US right-wing media,” Institute for Data, Democracy & Politics, George Washington University, USA, April 30, 2021.

Invited speaker. “The political logic of the radical right media sphere in the U.S., Institute for Data, Democracy & Politics,” George Washington University, USA, September 2, 2020.

Invited speaker. “Radical right media and disinformation in the U.S., School of Journalism and Communication,” Xiamen University, China, May 15, 2020.

Invited speaker. “The political logic of the radical right media sphere in the U.S., Annenberg School for Communication and Journalism,” University of Southern California, Los Angeles, CA, November 11, 2019.

Invited speaker. “Political communication, post-truth, and radical right media in the U.S., School of Journalism and Communication,” Nanjing University, China, December 26, 2019.

Invited speaker. “Political communication, post-truth, and radical right media in the U.S., School of Journalism and Communication,” Shanghai International Studies University, China, December 25, 2019.

Guest lecturer. Radical Right Media in the U.S. For University of Washington course “Communication and Social Change”. Seattle, WA, February 26, 2019.

Guest lecturer. Radical Right Media in the U.S. For University of Washington course “Communication and Social Change”, Seattle, WA, November 5, 2019.

Invited participant. Radical Right Media in the U.S. Dissertation Colloquium, Communication Department, University of Washington, Seattle, WA, February 26, 2019.

Guest lecturer. Social Movements in China, For University of Washington course “Social Movement Rhetoric”, Seattle, WA, February 2, 2014.

TEACHING

Computational textual analysis (Texas A&M University)

Digital Communication Analytics & Metrics (Texas A&M University)

Communication Data Applications (Texas A&M University)

Introduction to R using R Studio (University of Washington)

Graphics in R (University of Washington)

Introduction to Communication (University of Washington)

Concepts of digital Media (University of Washington)

Social Sciences Research Methods for Communication Studies (University of Washington)

ACADEMIC SERVICE

Service to TAMU

Search Committee on ACES Assistant Professor (2022-2023)

Colloquium Committee (2022-2023)

Search Committee on Visiting Assistant Professor (2022-2023)

Search Committee on Computation & Digital Media Assistant Professors (2023-2024)

Graduate Instruction Committee (2023-2024)

Doctoral Dissertation Committee (2022 to present): Bradley Madsen (Political Science)

Service to the field

Member of the editorial board of [Political Communication](#).

Guest editor for Special Issue of [Political Communication](#): Multiplatform research.

Book reviewer for The MIT Press’ Information Policy series.

Article reviewer for *Nature*, *Perspectives on Politics*, *Journal of Computer Mediated Communication*, *The International Journal of Press/Politics*, *New Media & Society*, *Political Communication*, *Information Communication & Society*, *Journal of Information Technology & Politics*, *International Journal of Communication*, *The Information Society*, *Communication & Society*, *Communication Quarterly*, *Media and Communication*, *Journalism*, *Social Media + Society*, *Mass Communication & Society*, *Communication Monographs*, and *Journal of Quantitative Description: Digital Media*.

Committee member, Lynda Lee Kaid Award Committee, AEJMC Political Communication Division.

Co-chair of the Student Committee of the Association for Chinese Communication Studies (ACCS), National Communication Association, 2017-2018

Co-organizer of the “The Capitol Coup One Year Later, How Research Can Assess and Counter Threats to Democracy” IDDP/CITAP joint event, George Washington University & University of North Carolina Chapel Hill, January 2022.

Co-organizer of the QAnon online unconference, November 2021.

Co-organizer of the Digital Data Conference, April 2022.

PROFESSIONAL MEMBERSHIP

American Political Science Association, Midwest Political Science Association, International Communication Association.
